ANNUAL REPORT
OF THE

MONTANA STATE
BOARD
OF
NURSING

JULY 1, 1968

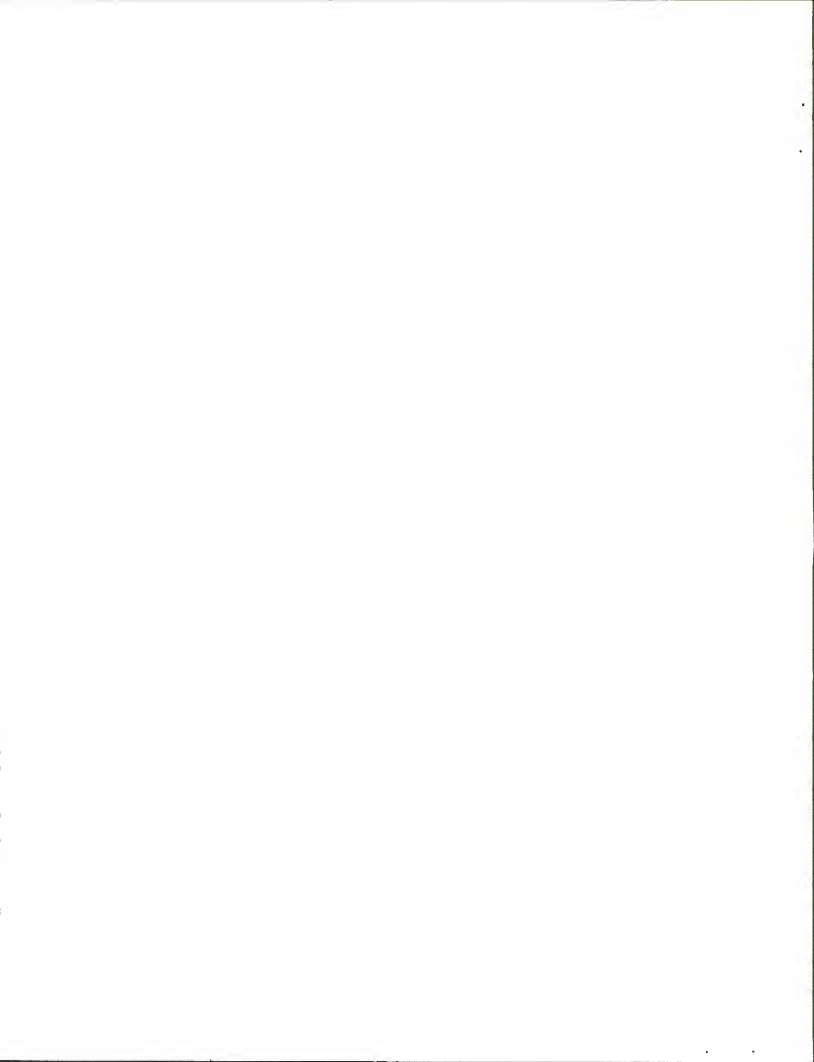

TO

JUNE 30, 1969

FORWARD

In previous years, the Montana State Board of Nursing has submitted a statistical report containing a fund receipts and disbursements statement, licensing statistics and renewal of licenses statistics. This 1968 - 1969 report contains statistical information as well as reports of other activities of the board, which more truly reflects its functions.

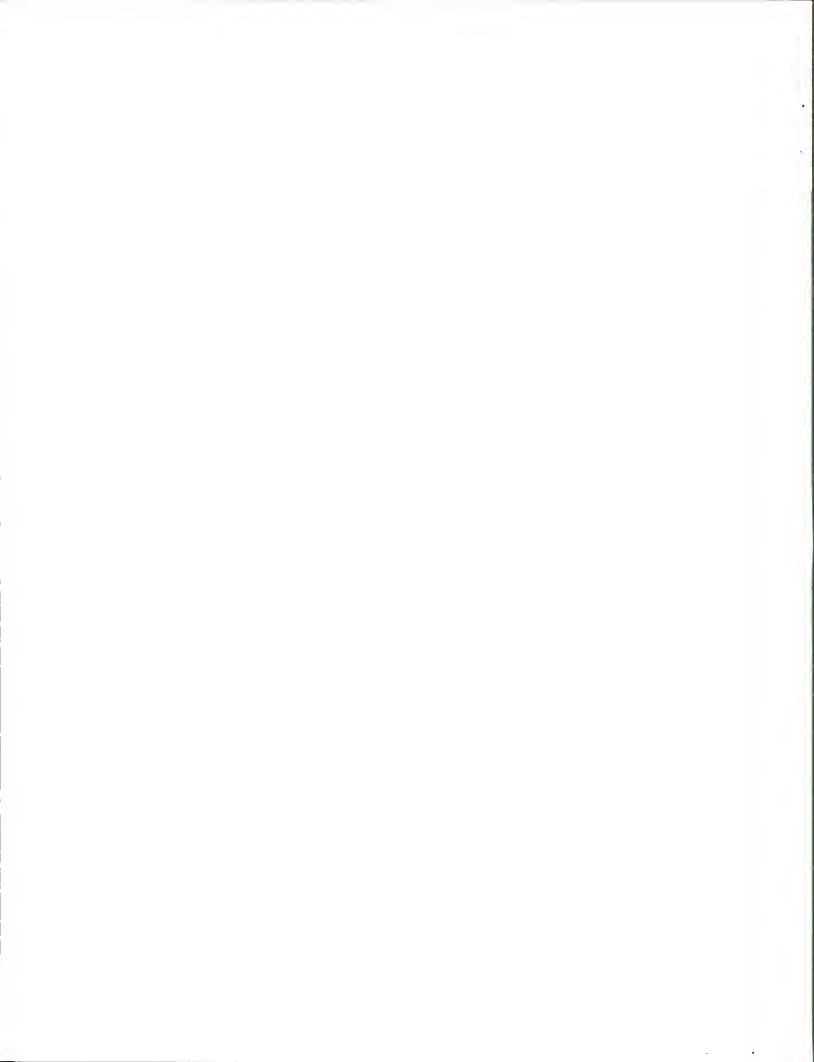

PURPOSE OF THE BOARD OF NURSING

Revised Codes of Montana, 1947

66-1221. "Purpose. In order to safeguard life and health (a) any person practicing or offering to practice professional nursing in this state for compensation or personal gain, shall be required to submit evidence that he or she is qualified so to practice, and shall be licensed as hereinafter provided; and,

In order to safeguard life and health (b) any person practicing or offering to practice practical nursing in this state for compensation or personal gain shall be required to submit evidence that he or she is qualified so to practice, and shall be licensed as hereinafter provided."

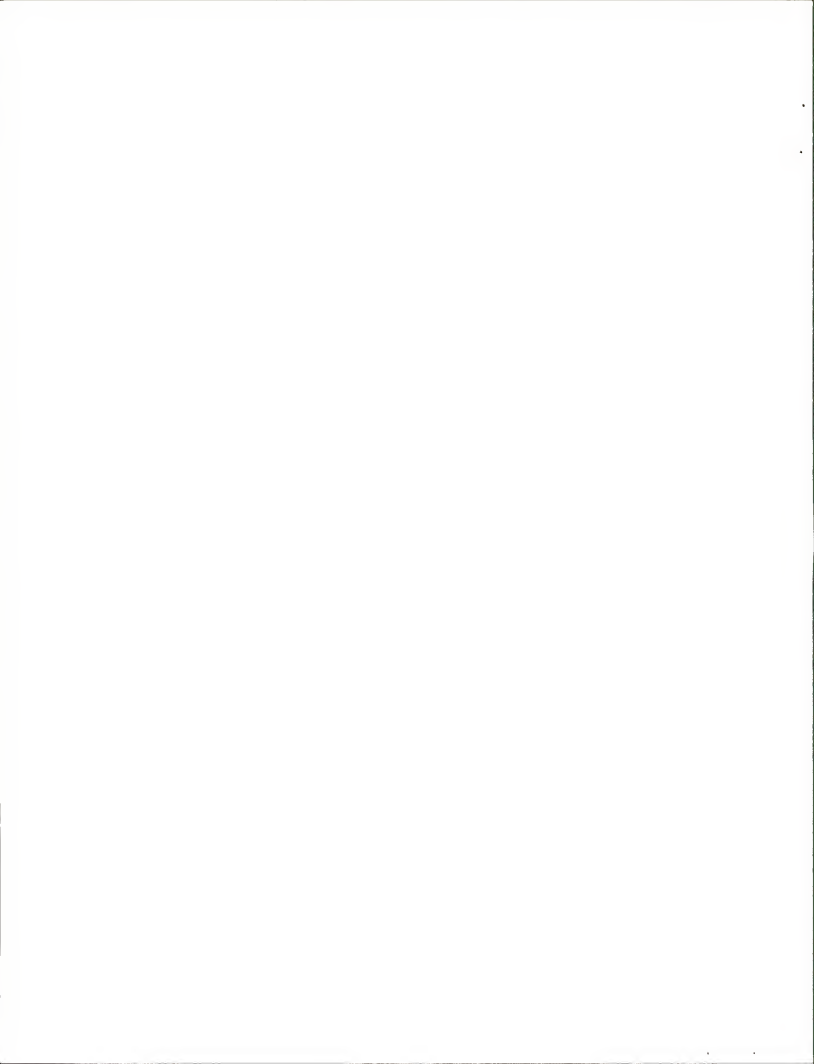

66-1238. "...An institution desiring to conduct a school of professional or practical nursing shall apply to the board...for approval."

LEGAL AUTHORIZATION

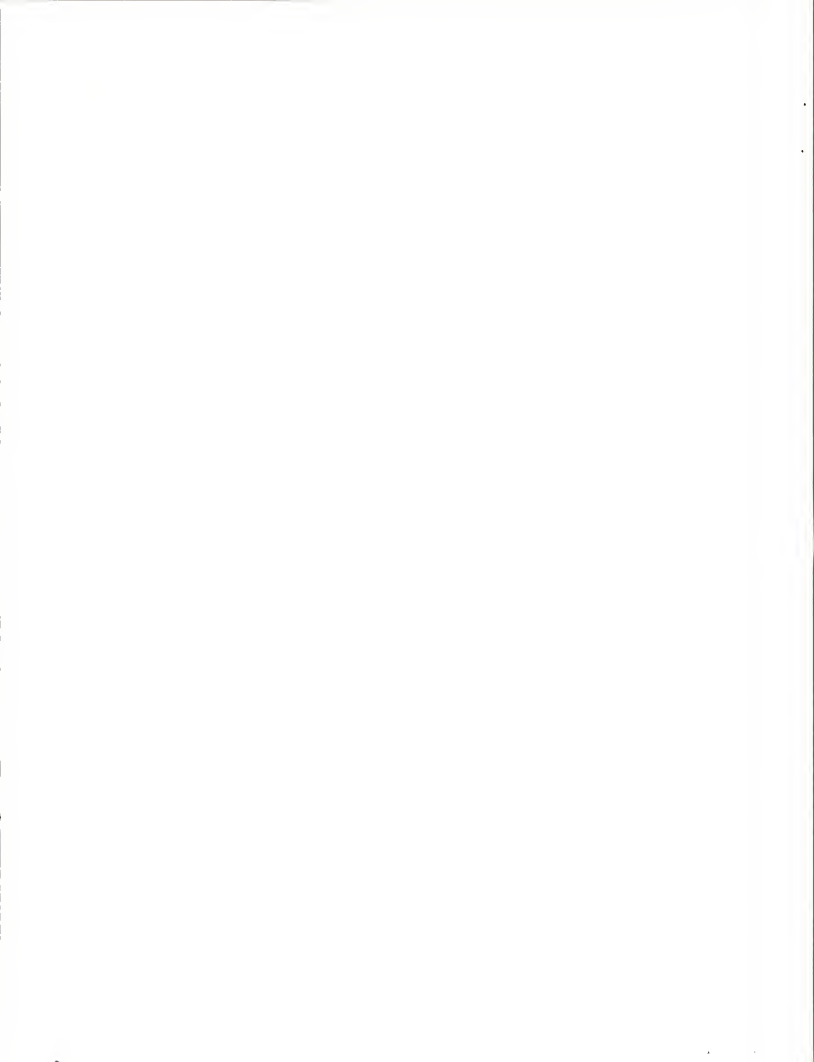

Revised Codes of Montana, 1947

66-1225. "...The board under each administration is authorized to adopt, and from time to time revise such rules and regulations, not inconsistent with law, and within the subject matter delegated to each administration by this act, as may be necessary to enable the respective administrations to carry into effect the provisions of this act, as delegated to each. The board under each nursing administration shall prescribe such curricula and standards for schools and courses preparing persons for registration and licensure under this act. It shall provide for surveys of such schools and courses at such times as it may deem necessary. It shall approve such schools and courses as meet the requirements of this act and of the board. It shall evaluate and approve courses for affiliation of student nurses. Under each administration the board shall examine, license and renew licenses of duly qualified applicants. It shall conduct hearings upon charges calling for discipline of a licensee or revocation of license or removal of schools of nursing from the approved list. It shall have power to issue subpoenas, and compel the attendance of witnesses, and administer oaths to persons giving testimony at hearings. It shall cause the prosecution of all persons violating this act and have power to incur necessary expenses therefor..."

OBJECTIVES

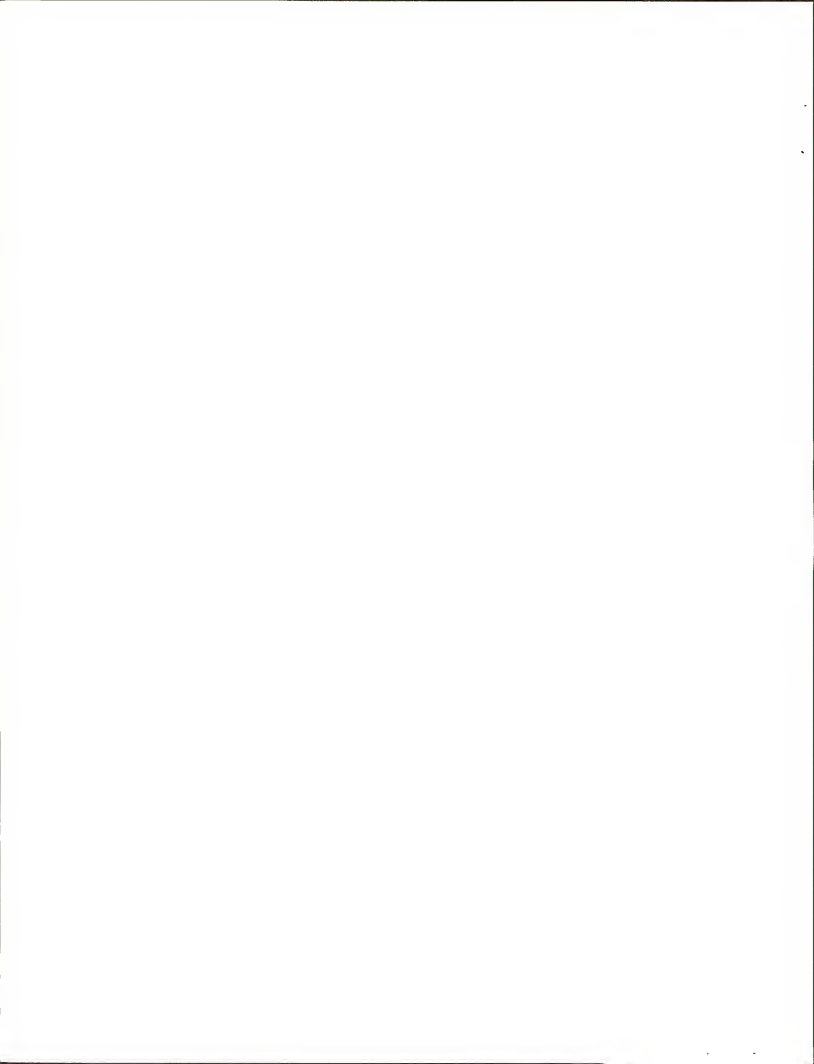

By-laws of the Montana State Board of Nursing

"The objectives of the Board of Nursing shall be to function in the field of professional and practical nursing as an administrative and supervisory agency within the governmental structure providing expert knowledge and understanding of nursing in safeguarding life and health; to formulate standards for nursing education which are based on the public's need for competent practitioners of nursing and which will safeguard the educational preparation of the student; to formulate procedures for evaluation of all educational programs in nursing in Montana which are safeguards to the public and which stimulate the schools of nursing to use better educational practices; to formulate procedures for the licensing of practical nurses which protect the public from incompetent practitioners."
